Follow Riverside for a few miles until you come to the intersection of State Road 76. There is a Long John Silvers at the corner. Turn right at this intersection and follow SR 76 for just over 1 mile until you come to McCurdy Rd. Turn left at the light and the church should be to your immediate left.

Head east out of Los Alamos along State Road 502. About 1 mile past the Totavi 66 gas station merge right onto State Road 30 (Los Alamos Hwy) heading north. Take the second right in Española (Paseo de Oñate) and cross the river, merging left at the light onto Riverside Dr. Follow the directions from Santa Fe (above) from here.

To the Hyde Park Lodge (reception):

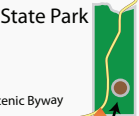

From St. Francis Dr. in Santa Fe turn east onto the northernmost junction of Paseo de Peralta. Peralta makes a horseshoe turn around downtown Santa Fe and intersects St. Francis Dr. twice (see map). There is a Century Bank at the location where you need to turn.

Follow Paseo de Peralta for a little over a mile and then turn left onto Washington Ave. There should be a large pink adobe Scottish Rite Temple to your left just as you turn.

Washington Ave. becomes Bishops Lodge Rd. Continue a little ways to Artist Rd, turn right. Artist Rd. becomes Hyde Park Rd. and is also State Road 475. Stay on this road all the way to Hyde State Park and to the Lodge.
